

1st International Scientific Conference
„New Forms of Employment. Current Problems and Future Challenges”
Rzeszow, Poland, 26-27 November 2018

Poster session

Basic information

In view of the large number of papers and limited duration of the Conference it was decided for poster session. The Organisers believes that poster session allows participants for an open exchange of their views and ideas.

Poster session – stages:

1. Chairman presents to the participants the titles and the authors of posters.
2. The authors go to the stages where the posters are presented.
3. The participants watching posters, asking questions to authors and discussing issues that results from posters.
4. Chairman closes poster session.

Guidelines for authors:

1. Title section: title (above 72 points) and contact details.
2. Format: maximum A0 (120x84 cm), landscape orientation.
3. Organisers do not print posters.
4. The electronic version of the poster shall be sent to the following e-mail address: **labourlaw@ur.edu.pl**¹, no later than by **15 October 2018** with the postscript contained name and affiliation of the author.
5. The printed version of the poster shall be delivered no later than on the first day of the Conference at the reception desk.
6. At the end of the Conference authors collect posters from Organisers.

¹Sending the electronic version of the poster equals agreeing to the contest for the best scientific papers and the Rules for the contest for the best scientific papers.
